How can I achieve this? A: You can try to use padding attribute in xml like that: With that padding, on the left side, right side, top side and bottom side of the frame, you will add 20dp. The Washington Post has published an article accusing President Donald Trump of perpetuating "fake news." The article, entitled "Fake News: The Latest Threat to Free Speech," is the first in a series of pieces on the history of free speech and fake news. The first part of the article, written by Charles Lane, is titled "Fake News? Not in U.S." In the first paragraph, Lane describes how in the 18th century, newspapers (then considered newspapers) were a new invention and how, at that time, there was a concern about a perceived rise of "fake news." He describes how the fake f678ea9f9e
